

After my husband and my self saw the results of three of our close friends who had traveled all the way to Lima – Perú and had cosmetic surgery done by Dr. Jorge Hidalgo we absolutly amazed at the results.

But I sure was thinking about getting a lipo done; we were tol a that the doctor would be coming to Barcelona – Spain for a conversation so, I jumped at the chance to meet him, after talking with him I was even more convinced that Dr. Hidalgo was the right person. He put all of my worse fears at ease ande after seeing his work first han don our friends than meeting him even my husband who is so not into cosmetic surgery decided that he also wanted to get some work done (facelift). I booked the flight for august 2013 and we arrived in Lima on the St.

Every thing that we were told by our friends about his staff was true, not only were we handed by a very profesional Doctor, his staff from the receptionist to the nurses was out of this wold. ¡They handle us with the upmost care and the results are amazing!!!!!! JUVENCIA'S STAFF treated us like friends. We will miss them all as we leave to day to go back home to Barcelona, Spain my husband and I both will take back with us wondeful results and memories of Lima, JUVENCIA'S MAGNIFICENT STAFF.

All I can say is thank you,

Dr. Hidalgo!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
